

# **TITLE 329 SOLID WASTE MANAGEMENT DIVISION**

## **Rule Information Sheet**

Title 329 Code of Federal Regulations and Administrative Updates  
LSA Document #19-411

### **Overview**

This rulemaking amends the Indiana waste rules in Title 329 to the July 1, 2017, version of the Code of Federal Regulations (CFR) and will provide updated federal requirements to regulated entities, with exception of those printed on or after July 1, 2017. This rulemaking revises the date associated with the CFR citations and corrects incorporation by reference language, as needed. Revisions are made to the CFR references in 329 IAC 1, 329 IAC 7.1, 329 IAC 10, 329 IAC 11, and 329 IAC 13, unless a previous edition is identified in a specific rule.

In addition, this rulemaking is repealing 329 IAC 3.1-2 concerning requests for information because the requirements can be found in statute and this rule is no longer used by the department. Aside from the repeal of the obsolete requests for information provisions in 329 IAC 3.1-2, this rule does not make any changes to the hazardous waste rules in 329 IAC 3.1.

### **Affected Persons**

All stakeholders will benefit from this rulemaking because it updates the state rules for consistency with federal standards.

### **Reasons for the Rule**

The Title 329 CFR Update is a codification of the final and effective regulations published in the Federal Register as of July 1, 2017. The purpose of the state rulemaking is to update state rules for consistency with federal rules.

### **Economic Impact of the Rule**

Updating the references to the CFR to indicate the July 1, 2017, edition, and updating citations incorporated by reference to reflect current federal language provides consistency between federal and state rules, and does not impose any additional requirements to which the regulated sources are not already subject. The proposed amendments will have no fiscal impact because the amendments are an incorporation of existing federal regulations and no impact beyond that already imposed by federal regulation is imposed by this rulemaking.
